

Membership Benefits

As a part of an extensive network that includes the New Jersey Builders Association and the National Association of Home Builders, the Community Builders & Remodelers Association of NJ provides a powerful array of services that help you make money for your organization:

A network of professionals, including lawyers, and environmentalists who offer advice, service, and troubleshooting for members.

A strong voice in Trenton and Washington, D.C. that ensures lawmakers are fully aware of the impact pending legislation will have on the building industry.

A full-time professional staff that provides the most current industry information in our newsletters and on our website in response to your questions and concerns.

Networking opportunities that include special events, monthly membership dinner meetings, meetings and seminars, and committee participation.

In addition, Membership in CBRA comes with many discounts and benefits including, but not limited to:

Builder's Liability Insurance

Product Rebates

Cell Phone Provider Discounts

Insurance Discounts

Rental Car Discounts

Join Us...We Make the Decision Easy! The CBRA is a vital, effective organization because of people like you who work in the building industry and care about its survival. We are able to protect our industry by positively influencing legislation through a strong, unified voice dedicated to saving and improving the building industry in New Jersey.

If your company is interested in continuing to work and thrive in this industry, make your voice a part of ours by becoming a member of the CBRA. Join the organization that protects YOUR interests...your job may depend on it!
